When Calling For An Address

- Call the Washington Parish Communications District addressing department (985) 839-5625 extension 1 to make your request for an address.
- You may call 24 hours per day.
- Since the addressing staff is constantly in the field, you may be required to leave a message with your name and telephone number.
- An addressing specialist will call you back to schedule a visit to the location of the structure that requires an address.

- **During their visit to your property a GPS point of the structure's location will be taken for 9-1-1 use.**
- **Based on the structure's location, an address numerical will then be calculated.**
- **Once your address is determined, a document with a raised seal will be prepared and sent to you.**
- **This document may be required by other agencies when establishing your address, so keep it in a safe place.**
