Section D Reason For The Requested Road Name Change

- The existing road name duplicates or is deceptively similar to an existing road name and is therefore confusing to emergency responders. Name of road which is similar or duplicated and its location _____ .
- The existing road name may be deemed offensive, vulgar, or derogatory to the public.
- The existing road name is difficult to pronounce and therefore may be misunderstood by public safety dispatchers.
- The existing road name is geographically misleading.
- The existing road name is to be changed to that which will honor a deceased, publically known figure who has made a significant contribution to the community and does not replace a previous honorary designation.
- A municipal annexation has created a road name conflict. Date of annexation _____ .
- The existing road name was issued or is being used in error or contains errors in spelling. Error description _____ .
- Other _____

Section E Information of Residents Supporting the Requested Road Name Change

We, the undersigned, understand that the Washington Parish Communications District will review this petition for a road name change and if the petition is accepted, will consider the petition at a public hearing during the month of November.

If the road name change request is granted we also understand that, if deemed necessary, a change in my address number may also be made. We further understand that if the information provided is subsequently found to be in error, a future change might be required.

We hereby agree to hold the Washington Parish Communications District and its officers and employees harmless in the event of such a change. We also understand that issuance of any road name **is not** to be interpreted as in granting any status with regards to road maintenance by Washington Parish Government.

NOTE: All residents on the road to be changed must be listed. A signature indicates approval of the requested name change.
